VI. WHAT DOCUMENTATION WILL I NEED TO TRAVEL?: You have a duty to inform yourself responsibly about the legal and/or immigration documentation and/or health requirements that you or the people traveling with you may need in order to make your trip as planned (the "Travel Documentation"). Check in advance the conditions of entry to the country of destination and/or transit, special conditions of visas and/or passports, driver's licenses, vaccinations, permits for minors or other document requirements, both for the countries of destination and countries in transit, even if it is not necessary to leave the airport. If you require it and do not have it, make the necessary arrangements to obtain it in advance. The requirements may vary depending on the country of destination and/or transit and according to your country of nationality and/or residence and/or the documentation with which you travel. Remember that it is your responsibility to comply with all entry and/or transit requirements and/or documentation required by the immigration, customs and/or health authorities of the country(ies) of destination and/or transit. In the case of traveling with minors under 18 years of age, in addition to the authorized travel document (National Identification Document or Passport), they need authorization according to different considerations: (i) If the minor is traveling with both parents, it will be sufficient for them to prove the link by means of the Civil Registry of Birth, Birth Certificate or Birth Certificate (regardless of the date of its issuance) or Identification Document of the minor, where the filiation data of the parents are recorded, (ii) If it is done with only one of its parents to international destinations, in addition to proving the parental relationship with any of the aforementioned documents, it must accompany the travel authorization issued by the absent father, before the Family Judge or Notarial permission (if granted in the country), or consular authorization legalized by the Ministry of Foreign Affairs (if granted abroad), and (iii) if the child is the child of minors, he or she will need the authorization of the parents and the permission of one of his or her grandparents. Notwithstanding the foregoing, please review the necessary Travel Documentation according to the type of transport, the Supplier, and the origin and/or destination of the transport as the requirements may vary depending on whether you are travelling by sea, land or air and according to each Supplier. In the event that the minor(s) are not traveling accompanied by a responsible adult, please review the unaccompanied minor policies of each Provider. For more information visit <https://www.migraciones.gob.pe>

The means and forms of payment available for each Tourist Service are those informed on the Platform prior to submitting your Purchase Request.

VIII. WHAT HAPPENS IF I PAY BY CREDIT CARD? Please note that when you inform PLANFOR2DAY of your account or credit card details (through the form available on the Platform or to the telephone sales agent), and then accept or confirm the transaction, you are authorizing us to charge for: (i) the Tourist Service fee (ii) any taxes, fees and/or tax charges that may correspond and (iii) our Management Charges – if applicable. Interest and/or taxes that may be generated by installment payments are added to the price or rate proposed for the service, and such total is divided by the number of installments selected for payment. c. If you have agreed with your credit card issuer for life insurance for the balance due or other charges that affect the total financial cost, remember to consult with your issuer the validity, conditions and costs of such insurance or charges, which are naturally unrelated to PLANFOR2DAY and depend on and/or vary as agreed by you. With each card issuer or operator. We recommend that you find out about the conditions of use and interest of your credit card before using the payment method in cuotas. d. De make a cancellation after the purchase, provided that the particular conditions of the Tourist Service allow it, PLANFOR2DAY will not refund or be responsible for the interest that the original transaction has generated. while PLANFOR2DAY does not receive such interest. and. The price to be paid could be charged in national currency or in dollars, depending on whether they are local or foreign services. If they are charged in dollars, the charge will be made against the international quota of your card. In any case, whatever the currency of charge, the rate or price will be that which was informed to you and that was accepted by you. Remember that in the case of international transactions, some banks and credit card operating companies impose certain charges, in addition to taxes, which may be applicable under the relevant foreign law. Additionally, your bank may convert prices to the local currency and charge a conversion fee. It may happen that the exchange rate used by the bank is different from the one presented on the Platform, so you may experience a variation between the amount charged by the bank and the amount reported on the Platform. The exchange rate and international transaction fee are determined by the bank. In case of doubts about the exchange rate and fee applied to your reservation, please contact your bank; f. Each transaction is subject to anti-fraud verification processes. One of them consists of making a charge equivalent to 1 USD in the dollar quota of your card under the operating host located in England (UK), in order to verify the identity and international validity of the card. The charge and reverse process can be displayed on the client's account statement and does not generate charges or additional costs for you since you confirm identity and validity, the charge will be reversed (canceled). For certain destinations, the Tourist Service Provider may charge you directly for the contracted Tourist Service. In these cases, PLANFOR2DAY will be indicated at the time of purchase and You will receive

an invoice issued by such Supplier. Please note that, in these cases, the charge will be made by your credit card in U.S. Dollars for the amount in that currency indicated in the detail of your payment.

IX. ONCE A PURCHASE REQUEST HAS BEEN CONFIRMED, CAN I CHANGE OR CANCEL IT? IF I DO, DO I HAVE ASSOCIATED COSTS? If you request a change or cancellation outside the deadlines and procedures explained in the previous point, and provided that the specific regulation of the rate selected by you allows it, the procedures for submitting and following up on your request will be carried out by PLANFOR2DAY, but both the response deadlines and the final decision will be the responsibility of the Tourist Service Provider. PLANFOR2DAY will charge a fee ("service charge") associated with the administrative management that is carried out in the process of cancellation and/or change of the tourist services initially purchased. The Service Charge charged for PLANFOR2DAY is non-refundable. In case of cancellation or changes of confirmed reservations for any reason, said Management Fee will not be refunded since it corresponds to a service effectively provided by PLANFOR2DAY. Please note that if the date of execution of the service is close, PLANFOR2DAY cannot guarantee that the Tourist Service Provider will issue a resolution of the matter. The procedure and the special conditions governing changes or cancellations of a reservation confirmed by you are determined directly by the Providers of the Tourist Services, who may establish fines or penalties applicable to the changes requested. These conditions are available for consultation on our Platform or can be consulted by the telephone sales agent. Please review them before booking and remember that there are Tourist Services that, by disposition of the Suppliers, do not admit changes and/or refunds, or admit them with restrictions and/or penalties, -even in cases of illness, strike, weather phenomena, etc.-. Remember that each Provider defines its penalties without intervention or interference from PLANFOR2DAY. The procedures in PLANFOR2DAY are carried out online and in real time. When You request a change, You are cancelling a confirmed booking and requesting a new one that will be governed by the particular conditions applicable at the time You make the change, therefore, in addition to the applicable penalties, there may be a fare difference consisting of the value resulting from the difference between the fare originally paid and the new fare according to fare availability at the time of making the change (the "Difference of Tarifa"). Remember that tourist fares are dynamic and depend on variables such as anticipation of purchase, travel dates, seasonal promotions and, in the case of flights, also on fare restrictions (the higher the restrictions, the lower the price).

to. In the case of refunds approved by the Supplier, these may be made by means of a credit or a chargeback to the same card with which the reservation was made, with the prior authorization of the credit card holder. If the payment was made in cash and/or bank transfer, your bank details will be required by PLANFOR2DAY to make the refund by bank transfer. The refund and/or chargeback periods will depend on each Supplier (in the case of airlines they are usually estimated to be between 30 and 120 days).

b. It should be clarified that the Suppliers are not obliged to exempt the passenger from the conditions of the contract, even in proven cases of illness or physical incapacity that prevents them from traveling; that is, if the fare paid provides for the collection of a penalty for making modifications/refunds or does not allow changes and/or refunds, the Supplier may charge those charges or deny the refund of the cost of the reservation.

X. WHAT HAPPENS IF I DON'T SHOW UP TO USE A RESERVATION? If you do not show up to use your reservation on the date and times indicated (or arrive late) what is known in the tourist market as a No Show is configured and you will not have the right to demand a total or partial refund of the amount paid. If you are not going to use your reservation in whole or in part or if you are going to arrive late to use your reservation, we recommend that you notify PLANFOR2DAY in advance to know the applicable restrictions.

XI. SPECIAL CONDITIONS APPLICABLE TO TOURISM PRODUCTS TO CUBA: According to the regulations in force in the United States, travel to Cuba for tourist activities is prohibited for citizens, residents or persons subject to U.S. jurisdiction. There are some exceptions to this rule (such as: family visits; official work for the United States government, foreign governments, and some nongovernmental organizations; journalistic activity; research and professional meetings; etc.). Currently PLANFOR2DAY does not have the resources to verify these exceptions during the online purchase process, so we are not momentarily in a position to be able to offer this destination to citizens included in the aforementioned exceptions. More information at <http://spanish.havana.usembassy.gov/viajesacuba.html>.

XII. WHAT IS THE PROCEDURE IN CASE OF QUERIES OR COMPLAINTS?: In the event that you need to make a claim and/or query, request modifications and/or cancellations - provided that your rate allows it-, request the resending of vouchers or tickets, and/or download your invoice, you will be able to access the link "My Account" 24 hours if you are registered on the Platform (or through "My Booking" or "My Trips") with your Purchase Request, where you can carry out any procedure. Remember that PLANFOR2DAY is a brokerage platform, and as such, your main avenue of contact is your Online Platform. Regardless of this, for any emergency it always has telephone lines that appear in the emails and/or vouchers sent with each Tourist Service.

to. In the event that you want to make a claim, suggestion or query, it is recommended to make a detailed description of the facts by immediately attaching a copy of the supporting information, explaining what happened and formulating in clear and simple terms the

solution you want. This way we can review your case more quickly and efficiently. PLANFOR2DAY will analyze the complaint, and will respond to the same email informed by you as soon as possible. If the review of the background indicates that it is appropriate to accept the claim in whole or in part, PLANFOR2DAY will inform you and will send you the corresponding agreement by email. The foregoing, without prejudice to the fact that PLANFOR2DAY could offer you an alternative solution, different from the requests made by you. b. If you agree with the proposal of PLANFOR2DAY, you must sign the corresponding agreement, and send it to PLANFOR2DAY to the address that will be indicated. Once PLANFOR2DAY have received the document, a customer service agent will contact you to inform you of the payment date and other conditions of compliance with the agreement. c. Changes or cancellations of reservations made through us, although governed by the Providers of the Tourist Services, must be managed through PLANFOR2DAY. In any of the above cases, the airline and/or supplier will refer you to our company. Please note that each Supplier has its own regulations for the provision of its Tourism Services. When reviewing the regulations, without prejudice to other topics of interest, pay attention to the following points: CHAPTER 1 – FLIGHTS · CHAPTER 2 – ACCOMMODATION · CHAPTER 3 – PROCEEDINGS · CHAPTER 4 – ACTIVITIES AND TRANSFERS · CHAPTER 5 – TEMPORARY RENTALS · CHAPTER 6 – PACKAGES

CHAPTER 1 – FLIGHTS Air transport is regulated by the Aeronautical Regulations and, in turn, each airline (the "Airline") establishes its own tariff regulations for the marketing of air tickets (the "Air Ticket(s)").

1.1. FLIGHT RESERVATIONS, FARES: PLANFOR2DAY is an IATA accredited agency, and is authorized to market Air Tickets on behalf of IATA member Airlines and in compliance with their fare manuals, conditions of carriage and written instructions. When You enter a Purchase Request on the Platform and it is confirmed by issuing an e-ticket, a record (Electronic Ticket Record or ETR) is generated automatically and without any manual intervention in the Airline's system with the data entered by You on the Platform. Each Airfare is regulated by a series of conditions and restrictions determined by each Airline for each particular fare. According to the amount of the fare, certain limitations are imposed on the use of the Air Ticket, for example: non-refundable, non-transferable, restrictions on route changes, imposition of minimum and maximum stays, restrictions on the refund of the amount paid, etc. The cheapest fares are the ones with the greatest restrictions. Please note that PLANFOR2DAY is not authorized to vary or modify the regulations of the Air Tickets in any case.

1.2 FLIGHT INFORMATION: All information displayed on the Platform regarding the Air Tickets offered (itineraries, fares, etc.) is provided and updated online and in real time directly by each Airline through a Global Distribution System (GDS). The Airlines, through the GDSs, are solely responsible for updating fares, availability and other data appearing on the Platform. For this reason, in the period between the receipt of the Purchase Request and the confirmation of payment or issuance of the Air Ticket, the rates established by the Airline may vary according to availability. The final prices will be set from the moment of the final confirmation of the reservation that occurs with the issuance of the electronic ticket(s) and their invoicing. PLANFOR2DAY does not set airfares or have control over the availability of airfares.

1.3 PAYMENT METHODS: If you pay by credit card, both the fare and taxes and fees are charged directly with the Airline's own commercial code without these values entering PLANFOR2DAY. If you pay by deposit or bank transfer, PLANFOR2DAY you endorse to the Airline the amounts corresponding to the fares. In all cases, PLANFOR2DAY only receives the value corresponding to the Management Position.

1.4 FLIGHT RESCHEDULING, DELAYS AND/OR CANCELLATIONS: For reasons beyond PLANFOR2DAY, the Airlines may modify certain flight conditions such as schedules, dates or itineraries; they could delay and/or reschedule and/or cancel them. The carrier is authorized to make modifications to scheduled flights, as long as it communicates them to this commercial aviation authority in accordance with the applicable regulations and PLANFOR2DAY has no interference or intervention in relation to the modifications that the flights may undergo. If any of these variations occur before 24 hours. Upon departure of the flight, on the instructions of the final supplier, PLANFOR2DAY will be informed of the available alternatives and will only proceed to confirm the modifications with their express confirmation or prior acceptance. Any claim, demand or complaint for the provision of the chosen service must be addressed to the Airline. Remember that it is the Airlines that provide the transport service. Within 24 hrs. of the departure of your flight PLANFOR2DAY cannot make arrangements for the Air Tickets.

1.5 PRESENTATION AT THE AIRPORT: You must be present at the dispatch offices of the Airline at the airport of departure on the scheduled day and at the time indicated with the Travel Documentation. For domestic flights, we advise you to arrive at the airport 2 hours in advance and, for international flights, you must be at least 3 hours in advance. Keep in mind that the schedules that are reflected in your Air Ticket are expressed in local time of the country of stopover and/or destination. If you do not show up for boarding or arrive late to board (No Show), the Airline may cancel any booking for the continuation of the journey or return and you will not be entitled to demand a full or partial refund of the amount paid.

1.6 REQUEST FOR CANCELLATION OR CHANGES OF

DATE OR ITINERARY: We emphasize that usually the Airlines determine that the cheapest fares are those that do not allow changes, cancellations or refunds, and even if they do, such changes or cancellations are subject to penalties. In the event that, in accordance with the regulations provided by the Airline, the fare selected by you does allow cancellations, PLANFOR2DAY will take the steps to submit and follow up on your cancellation request with the Airline, and it will be the Airline that must proceed with the refund, by means of a credit or a chargeback to your credit card. If the payment has been made by bank transfer, your details will PLANFOR2DAY required again in order to process the refund by that means. If you are requesting a change of date or itinerary and the fare of the purchased Airfare allows changes, the Airline may establish a penalty to be paid and, in addition, when setting a new date or choosing a new itinerary, you must pay the Fare Difference applicable at the time of the change. Changes must be made in the same classes issued or in higher classes. We clarify that it is not possible to make changes for cheaper fares published after the issuance of the purchased Air Ticket. The payment of the penalty and the Fare Difference can only be made by credit card in 1 (ONE) payment. In addition, in the case of both changes and cancellations, an additional Handling Fee may PLANFOR2DAY charged.

1.7 CHANGES IN THE NAME(S) OR CHANGE OF PASSENGER: The Air Ticket issued in the name of the passenger is nominative, personal and non-transferable. Pay close attention when entering your name(s) and surname(s) in the place(s) indicated for it and in accordance with your Travel Documentation. You have a box available for the first name(s) and another for the last name(s) and you have the possibility to review this information prior to confirming the Purchase Request. Your Air Ticket(s) will be issued automatically with the information entered by you on the Platform or by the information declared to the telephone sales agent, without any prior validation by PLANFOR2DAY. Once the Air Ticket(s) have been issued and the electronic ticket record has been generated, the Airlines do not admit -or in certain cases admit them at a cost- changes of names or surnames in an Air Ticket, not even in cases of typing errors in the names of the passengers and/or inverted names and surnames. If your Airfare contains any errors, the Airline may not allow you to board. PLANFOR2DAY is not responsible for errors and/or inconsistencies in the Personal Data declared by you.

1.8 UNACCOMPANIED MINORS: An "unaccompanied minor" is considered to be one who travels without at least one of their parents or legal guardians. Airlines may offer assistance and escort services (for a fee) which, depending on the case, may be mandatory or optional for minors travelling unaccompanied. However, PLANFOR2DAY does not offer this type of service and will not be able to ensure the effective boarding of the minor in the event that the requirement is mandatory. Children between 2 and 5 years of age who have not yet reached their age must be accompanied by their parents or guardians. Normally the "unaccompanied minor" service is mandatory for children between 5 and 11 years old and optional for children between 12 and 17 years old. The service is not available for children who require medical certification to travel and/or who are unable to feed themselves and/or who are not able to cover their basic hygiene needs and is not available for itineraries with stopovers or changes of aircraft. Please refer to the specific policy of the Airline you wish to travel on.

1.9 BAGGAGE: All Airlines have different baggage allowance policies. Be informed before you travel. PLANFOR2DAY is not responsible for theft and/or theft and/or loss of luggage and other personal effects of passengers. In case of loss or damage to baggage, you must go to the Airline's customer service offices and make the corresponding claim. We advise you to hire travel assistance to cover part of these risks.

1.10 HEALTH AND FITNESS FOR TRAVEL – PREGNANT WOMEN: If you have any particular health condition, the airline will require proof of medical fitness to allow you to travel. It must have an issue date no more than 12 hours before the departure of the flight. Keep in mind that people who are unable to fend for themselves and/or are unable to follow instructions will not be able to travel alone or with a companion service.

1.11 VALIDITY OF THE AIR TICKET: In accordance with the Aeronautical Regulations, Air Tickets are valid for one year from the date of issue. Any exception to the validity period must be requested from and authorized by the Airline. PLANFOR2DAY cannot extend the validity of an Air Ticket under any circumstances.

1.12 "ONE-WAY" TICKETS: Due to the immigration provisions of each country, in case you are a non-resident of the country of destination and you contract a one-way Air Ticket through us, you may be required by the immigration authorities to justify the reasons why you do not have a return Air Ticket. We suggest you check with the relevant Consulate or Embassy before booking. Airlines may also require this documentation before boarding.

1.13 STOP OVER: In general, economy fares do not allow Stop Over; It is recommended to check which rates allow it.

1.14 LOW-COST FLIGHTS OR AIRLINES: Please note that when you book a flight with an airline identified as "low cost"/"light" promotional fares, the published fare does not allow changes or cancellations, does not include seat reservation, checked baggage (carry-on baggage only), or complementary services such as snacks and/or meals and/or entertainment on board. All these services are considered additional and are offered under different conditions according to each airline and at a different cost. Please note that low-cost airlines usually operate at small, regional and/or

Side. Before confirming your Purchase Request, please carefully review the conditions and rates that are informed for each case since some of the additional services must be booked and paid for in advance while others may be purchased during the flight.

1.15 REGULATION AND LIABILITY IN AIR TRANSPORT: The liability of Airlines for the transport of people and their luggage is regulated by the Aeronautical Regulations. If you wish to make a claim regarding the air transport contract entered into between you and an airline, you can do so before the airline itself, our virtual Complaints Book, and/or INDECOPI.

CHAPTER 2 – ACCOMMODATIONS Each hotel, lodging and/or apartment (the "Accommodation") has its own service regulations and rates.

2.1 BOOKING OF ACCOMMODATION, RATES: Many Accommodations offer, for the same room, a "refundable rate" or a "non-refundable rate" (cheaper). If you book a "non-refundable" rate, the Accommodation may charge 100% of the stay at the end of the purchase without the right to any refund, even in cases where the impediments to use the accommodation are due to reasons of force majeure. If you have doubts about the possibility of using the accommodation, we recommend you to book a "refundable rate". Any penalties that may be reported are charged by the Accommodation. PLANFOR2DAY does not charge penalties or additional Management Fees for changes and/or cancellations.

2.2 ACCOMMODATION INFORMATION: The specific information of the Accommodation such as name, location, categorization, check-in and check-out times, and services included is sufficiently detailed on the Platform or can be consulted with the telephone sales agent. The room will be provided no later than 3:00 p.m. and the cut-off time to vacate a room must not be before 11 a.m. emphasizing that you are entitled to a tolerance period of 60 minutes from the time of departure. We clarify that all the information displayed on the Platform is provided and updated online directly by each Accommodation. They are solely responsible for updating the rates, availability, and other data that appears on the Platform. Please review the Supplier's terms and conditions and feedback from other passengers to verify that the Accommodation is fair to your preferences and needs. PLANFOR2DAY is not and should not be construed as promoting the quality, level of service and/or rating or classification of any Accommodation.

2.3 PAYMENT METHODS: PLANFOR2DAY offers you different methods to make and pay for your Accommodation reservations. PLANFOR2DAY, in each case, will indicate the payment options available according to the Accommodation selected.

2.3.1 PAYMENT TO THE ACCOMMODATION: You have the possibility to pay for your stay in full and directly to the Accommodation. In this case, it will be the Accommodation who determines the time of the charge and in the case of "non-refundable" services, it may charge the total of the stay at the time of finalizing your purchase. You must provide your credit card details on the Platform, which will be transmitted to the Accommodation to secure your reservation. The Accommodation may charge all or part of the rate to your credit card, in the local currency of the Accommodation or in US dollars in the case of Accommodation abroad.

2.3.2 ADVANCE TO PLANFOR2DAY + PAYMENT TO THE ACCOMMODATION: You may also pay an advance to PLANFOR2DAY in which case you must pay the remaining balance by paying directly to the Accommodation under the conditions determined by the Accommodation for collection.

2.3.3 PREPAYMENT TO 2DAY: You agree that PLANFOR2DAY charges your credit card for the total price of the booking, which includes taxes, fees, tax charges and/or the Management Fee.

2.4 CANCELLATION OR OVERBOOKING OF ACCOMMODATION: PLANFOR2DAY offers the Accommodations on its Platform according to the availability informed by the Suppliers through a computer booking system. Under no circumstances will PLANFOR2DAY offer an Accommodation that does not grant availability in the system. Notwithstanding the above, keep in mind that overbooking is a common practice in the tourism market and, in some countries, this practice is regulated. Overbooking can also happen due to failures in booking systems or human errors. In the event that an Accommodation is unable to honour your booking under the contracted conditions, the Accommodation must provide you, at your own expense, with a Accommodation/room alternative/suitability equal to or higher than that originally booked by you. PLANFOR2DAY, in your capacity as an intermediary, you will make your best efforts to ensure that you can enjoy your inconvenient stays.

2.5 PRESENTATION AT THE ACCOMMODATION: Remember that if you do not show up at the Accommodation on the corresponding date and time, the Accommodation may cancel your reservation and consider it as a SHOW, in which case you will not be entitled to demand a total or partial refund of the amount subscriber. If for any reason you are going to arrive outside the indicated hours, please contact the Accommodation and/or PLANFOR2DAY in advance.

2.6 REQUEST FOR CANCELLATION OR CHANGES: The possibility of making changes and/or cancellations and, where appropriate, the applicable penalties arising from the circumstances are subject to the policies of the Accommodation that are informed on the Platform and in the Voucher. PLANFOR2DAY does not set penalties for changes and/or cancellations. Any exceptions to these conditions must be authorized by the Accommodation.

2.7 MINORS: If you are traveling with minors, you must include them in the reservation, even if they do not occupy a bed. Remember that there are Accommodations that do not accept minors.

2.8 BAGGAGE - DEPOSIT OF VALUABLES: If you are carrying with you effects of greater value than those

ordinarily carried by the passengers, you must inform the Accommodation and keep them in the safe deposit boxes available in the Accommodation. The responsibility of the Accommodation is limited to the declared value of the effects deposited. Please note that if your effects are excessively valuable in relation to the importance of the Accommodation, or the same cause inconvenience to the Accommodation, the Accommodation may refuse to receive them.

2.9 CHECK-IN AND CHECK-OUT TIMES: Without prejudice to the particular check-in and check-out times reported for each Accommodation on the Platform, the expected number of days of accommodation is calculated from the check-in time and ends at the check-out time of the following day, regardless of the time of arrival and/or departure, and the complete or fractional use of the same. Keep in mind that the schedules reflected in the voucher are expressed in local time of the destination.

CAPÍTULO 3 – CARS Each car rental company (the "Rental Company(s)") has its own service regulations and rates applicable to the rental of vehicles (the Car/s).

3.1 CAR RESERVATION, RATE: PLANFOR2DAY guarantees that the price reported on the Car Rental Platform includes the rental of the car for a certain period (day, week, month), unlimited mileage and all the minimum requirements and insurances required to pick up the Car and drive legally in the chosen destination, without taking out insurance or additional elements. Unless otherwise stated on the Platform, the rental rate includes the payment of fines, infractions, tow towing, gasoline, leaving the car in another city, or any other additional service.

3.2 CAR INFORMATION: When you book a car on the Platform or through telephone sales, you are making a reservation for a class of Cars, and not for vehicles of specific makes, years or models, or special characteristics that are not common to all vehicles in the class. The Rental Company guarantees the size and capacity of the car, however the make and model of the vehicles are subject to availability and location.

3.3 Payment methods: PLANFOR2DAY offers you three different ways to make and pay for your car reservations. Thus, you have the possibility to: (a) pay online, and through PLANFOR2DAY 100% of your reservation; (b) pay only 30% of the total value, in which case you must pay the remaining balance at destination, at the time of picking up the Car; or (c) pay 100% of your reservation directly at destination, without the need to pay any sum at the time of booking. In this case, you must inform PLANFOR2DAY your Personal Data, which will be transmitted to the Rental Company to ensure your reservation. In the event that you decide to pay all or part of your booking through PLANFOR2DAY, your booking may be subject to confirmation – a circumstance that will be informed to you in the first email you receive

3.4 REQUEST FOR CANCELLATION OR CHANGES: According to what is established by each Rental Company, you acquire refundable and non-refundable reservations. In the event that the purchased reservation allows a refund, the reservation may be canceled at any time, provided that you notify PLANFOR2DAY and/or the Rental Company at your will in that regard at least 24 hours prior to the pick-up of the car. After this period, no refunds may be made. If applicable, refunds will be managed through My Booking/My Account on the Platform, and may take between 30 and 45 business days until they are effectively credited. If the payment has been made by bank transfer, your data will PLANFOR2DAY required again in order to manage the refund by that means. However, reservations confirmed and paid through PLANFOR2DAY do not admit modifications so you have the option to cancel your reservation at no cost up to 24 hours before the pick-up of the Car and complete a new Purchase Request with the desired conditions.

3.5 RENTAL PERIOD -RETURN OF THE CAR: The rental periods are calculated in blocks of 24 hours. The duration of your rental begins and ends on the dates specified on your voucher. When the Car is picked up or delivered outside of office hours, the Rental Company may charge additional fees. If you are to extend the rental period or if you return the car later than the date and time indicated on your voucher, the Rental Company may apply charges based on the local daily rate. We advise you to arrive at the car delivery location in good time. Please note that in the event that you wish to return the rented car to a place other than the one where you picked it up, the Rental Company may apply an additional surcharge except when this service is already included in the reservation purchased by you.

3.6 DOCUMENTATION: When you appear at the Rental Company, you must present: (i) the service voucher sent by PLANFOR2DAY; (ii) a valid driving licence, valid at the place of destination and issued for at least two years; and (iii) an international credit card with sufficient space to meet the guarantee. In some cases, a passport may be required. If you are traveling to an international destination, you may be required to present an international and inter-American driver's license. Basically, they may require it in the event of being involved in traffic problems or to prove the status of foreign driver before the traffic authorities.

3.7 WARRANTY: You must present an international credit card in the name of the driver at the time of picking up the car. In it, the Rental Company will block the amount corresponding to the excess as a guarantee that can be up to double the rate paid or to be paid for the rental of the Car.

3.8 ADDITIONAL CHARGES: We inform you that during the development of the rental period, charges or debits may be generated at your expense not claimed by the Rental Company immediately (such as fines for traffic violations or damages, breakages or shortages suffered by the Car). You must pay such fines and additional charges when they are claimed by the Rental

Company. These additional charges depend on the policies of each Rental Company and are charged directly by it without any intervention or interference from PLANFOR2DAY.

3.9 INSURANCE AND ADDITIONAL SERVICES CONTRACTED AT DESTINATION:

At destination, the Rental Company may offer to hire additional services (such as insurance with higher coverage policies, recovery fee, gasoline charge, additional driver charge, GPS, child protection, etc.), which will be contracted directly by you and charged by the Rental Company without the intervention of PLANFOR2DAY. The contracting of such additions is voluntary and beyond PLANFOR2DAY, who is not responsible for the amounts that you must pay for such concepts.

3.10 TAXES AND FEES:

In certain destinations, the service purchased does not include local taxes and/or state surcharges, which you must pay at the time of picking up the Car, directly to the Rental Company. This situation will be sufficiently informed to you in the form or by the telephone sales agent, if consulted.

3.11 TOLLS:

In certain jurisdictions you may contract directly with the Rental Company an electronic toll service (such as the SUN PASS in the state of Florida, in the United States), which will allow you to move comfortably and avoid fines. This service may be freely contracted by you directly to the Rental Company. We reiterate that PLANFOR2DAY is not responsible for such services.

3.12 DRIVERS UNDER 26 YEARS OF AGE:

In some destinations, the Rental Companies have policies for drivers between 21 and 26 years of age, in which restrictions and/or additional charges may apply that must be paid at destination. These amounts are not included in the tariff.

3.13 FOREIGN JURISDICTION:

If you plan to cross a state line, make sure before completing your Purchase Application that the Car is authorized to transit through that destination. Some rental companies may prohibit or charge an additional fee for traveling in a foreign jurisdiction. Review the conditions established by the Rental Company at this point.
